

THE ROSARY APOSTOLATE NEWS LETTER

Vol. 1 Sept. 2009

I would like to take this opportunity to thank every Principal and teacher, for your warm welcome and support given to members of the Rosary Apostolate! The Scholastic Year of 2008-09 has been a very exciting year! The Year 4 Cycle of Themes received raving reviews from both teachers and students. The stories of saints and saint book markers proved to be very inspiring to students along with the Rosary Booklets given to them! The Year of St. Paul was made more meaningful to all with the presentation of his life and the scripture cards given out to students. We have also had the joy of seeing the Rosary Apostolate activated in Medellin, Colombia this year.

Comments from students

"Dear Rosary Volunteers, Thank you for volunteering your time to help us go more toward God by helping us pray the rosary. I thank you because you taught us to, pray the rosary, you taught us about Jesus and Mary, and you taught us traditional prayers. This means so much to me because sometimes I tell my baby sister some of the stories you taught us about, to help her sleep. Thank you again for teaching me about God."

I would like to thank you for volunteering your time in praying the rosary with us. We are very lucky and appreciate the chance we have to pray. Not only have we prayed the rosary, but we also got a chance to learn to say traditional prayers. I would also like to thank you for teaching us all the stories from the past of Jesus. It means a lot to have you in our classroom and helping us learn about Mary and Jesus. Many of us have used our prayer cards and have chosen a favorite saint. Its really nice to learn about different saints and you have given us an even bigger chance to do so. For me, it's a great joy to have you in our classroom. Thank you again, for helping us to learn and get closer to Jesus. I really hope to see you next year!"

"Dear Rosary Team, I thank you people for volunteering your time to pray with us. I think it's nice for you people to pray with us every month. Our class learned a lot about Mary and Jesus this year. The part that I really liked was when our rosary person brought us saint cards. She brought us saint cards because we could pray throughout the year with our saints, in our hearts. At the end of each school day we would have a volunteer saying what saint they choose at the end of the prayer, for example we would say, St. John, pray for us. I am looking forward to seeing you next year!"
