I would like to take this opportunity to thank every principal and teacher for your warm welcome and support given to members of the Rosary Apostolate! The Scholastic Year of 2014-15 truly inspired many students to holiness in imitation of the saints and culminated with a May Celebration in honour of Our Lady of Lourdes.

The Rosary Apostolate is a bridge between the Schools and the Church.

The Rosary has become for students the bridge that leads them to God!

Students have said:

"The first time that the Rosary Apostolate came to our school I was very excited because at that time I didn't know much about the rosary, so I wanted to learn more about it! And now I learned a lot from it. My faith has grown by praying the rosary in my classroom because now I know much more about the rosary, about Jesus, Mary, and the stories that I've learned."

"I had an uncle who was very sick then when the Rosary Apostolate came I said to myself this is a great time to talk to Mary and Jesus. So then a couple of weeks after I visited him and he said he was feeling better. I was very surprised then I told him that I prayed for him, then he was very happy!"

"I didn't pray a lot before because honestly, I don't like praying alone. But after the Rosary Apostolate came to our school I always pray every now and then. I could get closer to Jesus. Honestly, I liked communication with Jesus, I liked interacting with holy things and the Holy Spirit. Praying with my class is very special."

"I started to become closer to God and talk to Him through the rosary. I've come to love being Catholic even more because there are so many inspirational saints we learned about!"

St. Leo the Great Church, Brooklin

I was taken back to my long-ago school days and the crowning of Mary with a recent invitation I received from the Rosary Apostolate of our parish to attend the May celebration they were putting on with the staff and students of **St. Pope John Paul II school**. I was glad to have been asked to attend and to be able to participate in such a well-organized and devout spiritual exercise to honour Jesus' Mother. They work that the children had put into this event was truly remarkable and their devout prayer sincere. The Rosary Apostolate of our parish had clearly put lots of time, preparation and love into this time of prayer and honour for the Blessed Mother even beyond their regular task of visiting all of our elementary schools and teaching children about the Rosary and how to pray it. All involved, teachers, staff, students, parents and the Rosary Apostolate are to be recognized and appreciated for the due honour shown to Mary, the Mother of our Saviour, Jesus Christ.
